

On holding the International competition
“Knowledge in co-creation”

State educational institution “Academy of postgraduate education” informs on holding an International professional skills competition for teachers “Knowledge in co-creation”. Teaching staff having experience in the organization of project or research pupils’ activity in General secondary education institutions participate in the competition.

The competition is held in 2 stages (distance and internal). Distance stage will be held from 17 April 2017 till 11 September 2017.

To participate in the distance stage of the competition it is necessary to send

application;

experience description of the organization of the project or research activity;

appendix (project or pupils’ research work theses) by E-mail to the festival organizing committee.

At the distance stage an expert estimation of the submitted materials on experience description, project or pupils’ research work theses is conducted. According to the results of expert estimation the materials will be published. After receiving the payment receipt the materials will be admitted to the expertise.

The cost of the registration fee for the expertise and publication is 9 EUR.
