

On holding
an International Contest

State Educational Institution “Academy of Postgraduate Education” informs on holding an International Contest of educational journey projects.

The contest will be held in order to extend the effective work experience of teaching staff on the formation of metasubject competences of pupils in the process of developing and implementing of the educational journey project.

The contest will be held in 2 stages: distance and internal. Distance stage will be conducted from 1 February till 30 September 2018. Internal stage will be held as part of the Second International teachers’ professional skills festival “Knowledge in co-creation” which will be held from 30.10 till 02.12.2018.

To participate in the contest it is necessary to send an application (Appendix) and educational journey project by E-mail olimp@academy.edu.by to the contest organizing committee till 30.09.2018.

At the distance stage an expert assessment of the educational journey project is conducted. According to the results of expert assessment the materials will be published. All the participants of the contest will be awarded a certificate.

The cost of the registration fee is 15 EUR. After receiving the payment receipt the materials will be admitted to the expertise.
